COLLECTING SCHOOL SUPPLIES for THE HILL COUNTRY YOUTH RANCH

The Hill Country Youth Ranch is a home for children who have nowhere else to go. These students come from all over the state of Texas when their families are no longer able to take care of them or when foster care is not able to keep families together. This year they are doing a Back-to-School drive for the kids at the Ranch.

Thank you to all of the Del Rio Host Lions who donated school supplies. You are making a difference in the life of a child and your generosity is very appreciated! The backpacks with school supplies will be given to students at a Council of Governors event at the Youth Ranch on August 2nd.

I will take a photo of the school supplies at our Lions Club meeting on Thursday, July 25th, to go along with this article.

Thanks!

Chris
